1. Please tell me if there is a cost estimate for the above project?

ANSWER: The moving and installation services are on a as needed basis. The cost estimate for the awarded contract will be based on the winning bidder's hourly rate and the number of hours and days outlined in Table 1 under Section 2.1.2 which states that we will need Contractor to provide two (2) movers for a four (4) hour work day 12 times a year.
