iii. **Payment of Prevailing Wages.**

- The selected Firm, and all subcontractors under the Firm, must pay all workers on the Project not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the Department of Industrial Relations, State of California, for the type of work performed and the locality in which the work is to be performed, pursuant to sections 1770 et seq. of the California Labor Code. Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Project, as determined by Director of the State of California Department of Industrial Relations, are on file at the Judicial Council’s principal office. Prevailing wage rates are also available from the Judicial Council or on the internet at (<http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>). If it becomes necessary to employ a craft, classification or type of worker other than those listed on the internet at <http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>, the Firm shall contact the Division of Labor Statistics and Research to find the appropriate prevailing wage determination. If the Division of Labor Statistics and Research is unable to identify a determination that is applicable, the Contractor shall notify the Judicial Council immediately, and the Judicial Council will request a special determination from the Division of Labor Statistics and Research. The rate thus determined shall be applicable from the commencement of the Project.
- The selected Firm shall comply with the registration and compliance monitoring provisions of Labor Code section 1771.4, including furnishing, its certified payroll

records to the Labor Commissioner of California and complying with any applicable enforcement by the Department of Industrial Relations. Labor Code section 1771.1(a) states the following:

“A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to section 1725.5 at the time the contract is awarded.”

- The selected Firm shall, and shall ensure that all “subcontractors” (as defined by Labor Code section 1722.1), comply with Labor Code section 1725.5, including without limitation the registration requirements with the Department of Industrial Relations that are set forth in Labor Code section 1725.5. The Firm represents to the Judicial Council that all “subcontractors” (as defined by Labor Code section 1722.1) are registered pursuant to Labor Code section 1725.5. Each Firm acknowledges that, for purposes of Labor Code section 1725.5, this work is a public work to which Labor Code section 1771 applies.
 - The Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. The selected Firm shall post job site notices, as prescribed by regulation. The selected Firm shall comply with all requirements of Labor Code section 1771.4, except the requirements that are exempt by the Labor Commissioner for the Project.
- b. **Estimated Schedule of Work :** Estimated start month and year for the Project is September, 2017. The Project shall be completed within 330 consecutive calendar days from the start date. Project start and completion dates will be specified in the Judicial Council’s Notice to Proceed (“Contract Time”).
- c. **Work Hours:** Since the Work will be taking place in an occupied court facility, the selected firm will be required to coordinate Work in such a way as to not disrupt court operations. Certain work will be required to be completed after hours or on weekends. It is estimated that approximately seventy percent (70%) of the performance of work may be completed during standard business hours, Monday to Friday, 7:00 am to 6:00 pm. However, when work will adversely affect Court proceedings, Judicial Council will require that work be performed when the Court is not in session. The Firm should expect that approximately thirty percent (30%) of the work will be required to be performed on a weekend (Saturdays and Sundays, 7:00 am to 6:00 pm) and/or after hours on business days (Monday to Friday, 6:00 pm to 1:00 am). The Project Manager will coordinate with the local jurisdiction and the selected Firm to establish the hours of work on a week to week basis. The Firm’s Cost Proposal shall include all costs associated with limiting the work hours for the Project as set forth herein and the successful Firm will not be entitled to any additional compensation for performing work on the weekends, holidays or after-hours on business days.
- d. **License Requirements:** Interested Firms must hold and maintain a valid Class B General Contractor license from the State of California. The Firm's license must remain active and

In submitting its Proposal, Firm shall not rely on Judicial Council-supplied information regarding aboveground conditions or as-built conditions.

 - ii. The Agreement sets forth the process for requesting substitutions of specified items.
 - iii. Notwithstanding the preceding, the successful Firm will be required to utilize drainable EIFS, StoTherm ci Classic by Sto Corp. or approved equal, and listed Sto Corp. system components or approved equal(s) as specified in the Contract Documents, see Project Manual Specifications in (Attachment 2) to the RFP.

Judicial Council’s sole option, Contractor shall either repair or replace any and all of that work that may be defective in workmanship and/or materials, without expense whatsoever to the Judicial Council, together with any other work, that may be displaced in so doing. Therefore, the initial protest submittal must include all grounds for the protest and all evidence available at the time the protest is submitted. If the protestor later raises new grounds or evidence that was not included in the initial protest but which could have been raised at that time, the Judicial Council will not consider such new grounds or new evidence.
- v. **Determination of Protest Submitted Prior to Submission of Proposal.** Upon receipt of a timely and proper protest, the Judicial Council will provide a written determination to the protestor prior to the Proposal Due Date.
