- 11.2. Acceptance by the Judicial Council does not relieve Consultant of its guarantee obligations under this Agreement.
- 11.3. If the Judicial Council's Project Manager rejects Work, Consultant shall provide a cure in accordance with the provisions of this Agreement.
- 11.4. If the Judicial Council's Project Manager does not accept Work and Consultant disputes such action, the Parties agree to first attempt to settle their dispute according to the disputes process set forth below.

12. Disputes

- 12.1. The Parties shall comply with the following provisions for the resolution of disputes:
- 12.1.1. Informal Negotiations. If the dispute does not involve an issue that requires submission of a Notice pursuant to the Section entitled "Notice" of this Agreement, the respective Parties' Project Managers shall make a good faith attempt to promptly resolve the dispute by informal negotiation.
- 12.1.2. Demand. If the dispute involves an issue that requires submission of a Notice pursuant to the Section entitled "Notice" herein, or if the dispute is not settled in a timely manner pursuant to informal negotiations between the Parties' Project Managers, either Party may issue a Demand to the other Party as follows. The Party submitting a Demand ("Submitting Party") must issue a written statement (the "Demand"), in the form of a Notice, to the other Party ("Receiving Party"). The Demand must be submitted in compliance with the provisions of the Section entitled "Notice" herein, and (i) be fully supported by detailed factual information and supporting documentation;

(ii) state the specific Agreement provisions on which the Demand is based; (iii) if the Demand regards a cost adjustment, state the exact amount of the cost adjustment sought; and (iv) must be accompanied by pertinent records supporting the Demand. The Demand shall include a written statement signed by an authorized representative of the Submitting Party indicating that the Demand is made in good faith, that the supporting data and documents are accurate and complete, and provide reasoning to support their contention that the amount (if any) requested reflects an adjustment in payment the Submitting Party believes is equitable.

- 12.1.3. Response to Demand. The Receiving Party shall, within ten (10) Business Days, provide a final written response (“Final Response”) or request additional information deemed necessary to prepare a Final Response. The Final Response shall state whether the Receiving Party accepts or rejects the Demand. The Final Response must be provided to the Submitting Party in the form required by the Section of this Agreement entitled “Notice”. If the Receiving Party requests additional information to prepare the Final Response, the Submitting Party shall promptly comply with the Receiving Party’s request for such information. Any delay caused by the Submitting Party’s failure to respond to a request for additional information shall extend the ten (10) Business Day period within which the Receiving Party must provide a Final Response, however, unless otherwise agreed to by the Parties in writing, in no event shall the time period allowed for a Final Response be extended beyond twenty (20) Business Days following the date on which the Submitting Party issues the Demand. Regardless of any request(s) for additional information, a failure on the part of the Receiving Party to provide a Final Response within these twenty (20) Business Days shall be deemed a rejection of the Demand.
- 12.1.4. Senior Level Negotiations. If the Demand is rejected and the Submitting Party provides written Notice that it will continue to pursue the Demand, or if the time period allowed for a Final Response to the Demand has expired without issuance of a Final Response, the Parties shall attempt to resolve the Demand by negotiations between assigned senior representatives of the Parties. The representatives shall meet as often as they deem reasonably necessary to resolve the Demand. The senior representatives of the Parties shall make a good faith effort to resolve the Demand within thirty (30) Business Days (or such longer period as they may agree to in writing) following the date on which the Submitting Party provides written Notice that it will continue to pursue the Demand or the date on which the time period allowed for a Final Response to the Demand has expired without issuance of a Final Response.
- 12.1.5. Mediation. If the Demand is not resolved by negotiations of the Party’s assigned representatives, the Parties shall submit the dispute to mediation prior to either Party initiating an action in court. Notwithstanding the foregoing, Consultant’s failure to so schedule and proceed to mediation in good faith following forty-five (45) Days’ written Notice from the Judicial Council to do so will be deemed a waiver by Consultant of this requirement to submit the dispute to mediation and the Judicial Council may proceed to act in its discretion including initiating litigation or exercising any other right and remedy available at law.
- 12.1.6. Litigation. If the Parties have not resolved the dispute after mediation, either Party may initiate an action in a court of competent jurisdiction.
- 12.1.7. Confidentiality. All discussions and negotiations conducted pursuant to this dispute resolution process prior to litigation are confidential and shall be treated as compromise and settlement negotiations to which California Evidence Code section 1152 applies. Mediation shall be confidential and shall be subject to the provisions of California Evidence Code sections 703.5 and 1115 through 1128.
- 12.2. Performance during Dispute and Claim Resolution Process. Unless otherwise directed in writing by the Judicial Council, Consultant shall diligently proceed with performance of the Services at the same time that a dispute is addressed via this dispute resolution process. Consultant’s failure to diligently proceed with performance of the Services will be considered a material breach of this Agreement.

EXHIBIT B

SPECIAL PROVISIONS

1. Insurance Requirements

1.1. General Requirements.

- 1.1.1. By requiring the minimum insurance set forth in this Agreement, the Judicial Council shall not be deemed or construed to have assessed the risks that may be applicable to Consultant under this Agreement. Consultant shall assess its own risks and if it deems appropriate or prudent, maintain higher limits or broader coverage.
- 1.1.2. The insurance obligations under this Agreement shall be: (1) all the insurance coverage and/or limits carried by or available to Consultant; or (2) the minimum insurance coverage requirements and/or limits shown in this Agreement, whichever is greater. Any insurance proceeds in excess of or broader than the minimum required coverage and/or minimum required limits which are applicable to a given loss shall be available to the Judicial Council in compliance with the Insurance Requirements set forth in this Agreement. The Judicial Council may, in its sole discretion, accept self-insurance or risk-pool coverage as a substitute for any of the required insurance policies under this Agreement. No representation is made by the Judicial Council that the minimum insurance requirements of this Agreement are sufficient to cover the obligations of Consultant under this Agreement.
- 1.1.3. Consultant shall obtain and maintain the required insurance for the duration of this Agreement with an insurance company or companies acceptable to the Judicial Council, in its sole discretion, and that are rated "A-VII" or higher by A. M. Best's key rating guide and are authorized to do business in the state of California.
- 1.1.4. For all insurance policies required under this Agreement, no deductible shall exceed five (5) percent of the minimum limit of insurance required under this Agreement unless authorized in writing by the Judicial Council. Any Consultant deductible must be clearly stated on the appropriate Certificate of Insurance.
- 1.1.5. Self-Insured Retentions (SIR) must be declared to and approved in writing by the Judicial Council. The Judicial Council may require Consultant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or Judicial Council. Any and all deductibles and SIR shall be the sole responsibility of Consultant or Subconsultant who procured such insurance and shall not apply to the Indemnified Parties (defined above). Judicial Council may deduct from any amounts otherwise due Consultant to fund the SIR. Policies shall **not** contain any SIR provisions that limit the satisfaction of the SIR to the named insured. The policy must also provide that defense costs, including the allocated loss adjustment expenses, will satisfy the SIR. The Judicial Council reserves the right to obtain a copy of any policies and endorsements for verification.
- 1.1.6. Consultant is responsible for and may not recover from the State of California, Judicial Council, or a Court any deductible or self-insured retention that is connected to the insurance required under this Agreement. If self-insured, Consultant warrants that it will maintain funds to cover losses required to be insured against by Consultant under the terms of this Agreement.
- 1.1.7. Prior to commencement of any Work, Consultant shall provide Judicial Council with Certificates of Insurance and signed insurance policy endorsements, on forms acceptable to Judicial Council, as evidence that the required insurance is in full force and effect. The insurance required under this Agreement, and any excess liability or umbrella liability insurance, that Consultant maintains in compliance with the terms of this "General Requirements" subsection (with the exception of Professional Liability Insurance, if required) must be endorsed to include the State, the Judicial Council, any applicable Court, and their respective elected and appointed officials, judicial

officers, officers, employees, and agents as additional insureds. No payments will be made to Consultant until all required current and complete Certificates of Insurance and signed insurance policy endorsements are properly endorsed and on file with the Judicial Council.

- 1.1.8. The insurance required under this Agreement, including all required additional insured coverages, must be endorsed to be primary and non-contributory to any insurance or self-insurance maintained by the State of California, Judicial Council, or Court. Consultant's liabilities under this Agreement shall not be limited in any manner to the insurance coverage required.
- 1.1.9. Failure to provide the documentation as required prior to the commencement of Work shall not constitute or be construed as a waiver by the Judicial Council of Consultant's obligations to provide such documentation.
- 1.1.10. The Certificates of Insurance must be addressed and mailed to:

Judicial Council of California
Contracts, Branch Accounting and Procurement
Attn: Certificate of Insurance, Contract Number @MA-XX-IDIQ-YYYY-##
455 Golden Gate Avenue, 6th Floor
San Francisco, CA 94102

The Certificates of Insurance may also be emailed to:

Contracts@jud.ca.gov

- 1.1.11. All insurance policies required under this Agreement must remain in force for the entire duration of this Agreement. If the insurance expires during the Initial Term, or any Subsequent Term(s), of this Agreement, Consultant shall immediately renew or replace the required insurance and provide a new current Certificate of Insurance and signed insurance policy endorsement(s), or Consultant will be in breach of this Agreement, and the Judicial Council may direct Consultant to stop work or may take other remedial action. Consultant must provide renewal insurance certificates and signed policy endorsements to the Judicial Council on or before the expiration date of the previous insurance certificates and signed policy endorsements. Any new insurance procured by Consultant must conform to the requirements of this Agreement.
- 1.1.12. In the event Consultant fails to keep the specified insurance coverage in force at all times required under this Agreement, the Judicial Council may, in addition to and without limiting any other remedies available to it, (i) order Consultant to stop work, or (ii) terminate this Agreement upon the occurrence of such event, subject to the provisions of this Agreement.
- 1.1.13. Consultant, and each insurer providing insurance required under this Agreement, expressly waives all rights of recovery and subrogation rights it may have against the State, Judicial Council, Court, and their respective elected and appointed officials, judicial officers, officers, employees, and agents for direct physical loss or damage to the Work, and for any liability arising out of or in connection with the Work performed by Consultant under this Agreement or arising out of or in connection with Consultant's breach of this Agreement. This provision does not apply to professional liability insurance policies.
- 1.1.14. Consultant shall provide the Judicial Council with written notice within **ten (10) Days** of becoming aware of a material change or cancellation of the insurance policies required under this Agreement. In the event of expiration or cancellation of any insurance policy, Consultant shall **immediately** notify the Judicial Council's Project Manager.
- 1.1.15. Judicial Council reserves the right to request certified copies of any of the insurance policies required under this Agreement, which must be provided by Consultant within **ten (10) Business Days** following the Judicial Council's request.

- 1.1.16. Consultant must require insurance from its Subconsultants in substantially the same form as required of Consultant herein and with limits of liability that are sufficient to protect the interests of Consultant, State, Judicial Council, and Court in which the Project is located.

Upon the Judicial Council's receipt of the letter, Consultant shall not be required to maintain workers' compensation insurance.

1.2.4. Professional Liability Insurance.

Professional Liability Insurance shall include coverage for any negligent act, error, or omission committed or alleged to have been committed which arises out of rendering or failure to render the Work provided under the terms of this Agreement. The policy shall provide limits of not less than \$2,000,000 per claim or per occurrence and \$4,000,000 annual aggregate. If the policy is written on a "claims made" form, Consultant shall continue such coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the Work which is the subject of this Agreement. The retroactive date or "prior acts inclusion date" of any such "claims made" policy must be no later than the date that Work commences pursuant to the Agreement.

The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

1.2.6. Unmanned Aircraft Liability Insurance.

If Consultant utilizes drones or any other unmanned aircraft in the performance of the Work, existing insurance coverage must include an endorsement for unmanned aircraft operations. Consultant must maintain a separate aircraft liability policy to cover unmanned aircraft operations with limits and coverage equal to or greater than \$1,000,000 per claim or per occurrence and \$2,000,000 annual aggregate. If Consultant does not have the applicable insurance and a Remote Pilot Certificate (commonly known as a drone license) from the FAA, the use of a drone or any other unmanned aircraft usage is prohibited.

1.2.7. Umbrella Policies.

Consultant may satisfy basic coverage limits through any combination of primary, excess, or umbrella insurance.

2. Licenses

- 2.1. Consultant shall ensure that Consultant, its Subconsultants, and all their employees or agents providing Work under this Agreement shall have prior to commencing and shall at all times maintain throughout the duration of their performance of the Work all appropriate license(s) required under law to provide the Work being performed. Consultant shall regularly monitor, and ensure that its Subconsultant(s) monitor to ensure, compliance with this provision of the Agreement.
- 2.2. If the possession of a license(s) or certificate(s), including without limitation a valid California fire protection engineer license, is required under law for the performance of any Work or requested by the Judicial Council, Consultant shall ensure that the Work will either be performed by an appropriately licensed individual or, where permissible, under the direct supervision and with the review and approval of an appropriately licensed individual.

- 2.4. Consultant shall provide immediate Notice to the Judicial Council in the event that any license required to be held by Consultant or any of its Subconsultants or any of their employees or agents is suspended, cancelled, or expires during a period in which they are performing Work requiring a license.
- 2.5. Consultants and individuals required by law to be licensed are licensed and regulated by the California Consultants Board which has jurisdiction to investigate complaints if a complaint regarding a patent act or omission is filed within four years of the date of the alleged violation. Any questions concerning licensed individuals or organizations may be referred to the California Consultants Board.
- 2.6. If no license is required of an individual performing Services, Consultant shall ensure that such individuals possess the skills, training, and background reasonably commensurate with the responsibility assigned, so as to be able to perform in a competent and professional manner in accordance with generally accepted industry standards.

3. Reconciliation of Construction Budget for Design Work

- 3.1. In the event that a Service Work Order either includes a construction budget provided by the Judicial Council or requires Consultant to provide cost estimates that are approved by the Judicial Council as the Construction Budget ("Construction Budget") for the underlying work for which Consultant's Services are being provided and which will be solicited via Third-Party bids or proposals ("Underlying Work"), Consultant shall conform its Services to that Construction Budget and shall otherwise comply with the requirements of this section.

- 3.1.1. Consultant shall complete all Services described in a Service Work Order so that the cost to perform the Underlying Work will not exceed the agreed-upon Construction Budget.
- 3.1.2. If so instructed by the Judicial Council, Consultant shall be responsible for further developing, reviewing, and reconciling the Construction Budget for the Judicial Council at the beginning of the Underlying Work and at the completion of each of the phases that may be associated with Consultant's Services and the Underlying Work.
- 3.1.3. In the event the Judicial Council, or a consultant thereof, reasonably determines the cost of the performance of the Underlying Work may exceed the approved Construction Budget, Consultant shall take, at Consultant's sole cost and expense, all necessary steps and actions, including without limitation any required redesign work, to ensure the estimates of the Underlying Work are in conformance with the approved Construction Budget.
- 3.1.4. In the event that either of the following occur:
 - 3.1.4.1. The lowest bid or proposal, or a majority of the bids or proposals, received by the Judicial Council for the Underlying Work is in excess of 10% of the Construction Budget for the Underlying Work; or
 - 3.1.4.2. The combined total of the base bid or base proposals and all additive alternates received by the Judicial Council for the Underlying Work are 10% or more under the Construction Budget for the Underlying Work; or
 - 3.1.4.3. The Construction Budget increases in subsequent phases of Consultant's Services for the Underlying Work due to reasonably foreseeable changes in the condition of the construction market in the county in which the Underlying Work will be performed, in so far as these increases have not been caused by acts of God, earthquakes, strikes, war, or energy shortages due to uncontrollable events in the world economy;

Then, in its sole discretion, the Judicial Council may, within three months' time of receipt of the bids or proposals for the Underlying Work, instruct Consultant to revise and/or reconcile, at no additional cost or expense to the Judicial Council, the Construction Budget for the Underlying Work (in scope and quality as approved by the Judicial Council) for re-solicitation of the Underlying Work. Should Consultant be instructed to revise or reconcile the Construction Budget for the Underlying Work, Consultant shall take, at Consultant's sole cost and expense, all necessary steps and actions, including without limitation any required redesign work, to ensure the estimates of the Underlying Work are in conformance with the approved Construction Budget.

- 1.1. The maximum amount the Judicial Council shall be obligated to pay to Consultant under any individual Service Work Order authorized under this Agreement for performing all Work, as well as payment for all Travel and Living Expense and/or any Reimbursable Expenses incurred, shall not at any time exceed the Total Amount specified on the face of the most recently authorized Service Work Order applicable. No verbal agreements will be honored.
- 1.2. The maximum amount the Judicial Council shall be obligated to pay to Consultant under this Agreement (“Contract Amount”) shall not at any time exceed the total of all total amount(s) encumbered to date by Judicial Council for this Agreement. The total amount that the Judicial Council may pay Consultant under this Agreement shall not at any time exceed the total of the Service Work Order Grand Total of all Service Work Orders authorized for the performance through the current date.

2. Service Work Order Authorization

- 2.1. The Judicial Council will authorize the performance of Work and spending of funds under this Agreement only via Service Work Order issued through Judicial Council’s CAFM system. Service Work Orders must be “accepted” by Consultant within the CAFM system. This involves Consultant logging into CAFM, opening the SWO, and clicking the “Accept” button. A written document will be provided by Judicial Council via CAFM software system that summarizes the Project details and references all other documents incorporated within the Project.
- 2.2. Service Work Orders may only be authorized during the Initial Term of this Agreement or any Subsequent Terms. Service Work Orders must be authorized prior to the expiration date of this Agreement. The end date for Services authorized in a Service Work Order may exceed the expiration date of this Agreement; provided, however, that the terms and conditions of this Agreement shall remain in full force and effect with regard to any outstanding Service Work Order(s) after the expiration of this Agreement until the Work of said Service Work Order(s) is complete.
- 2.3. Service Work Orders may only be authorized for the specific Service Types and Services described in Exhibits D, E, and F.
- 2.4. Project Awards.
 - 2.4.1. Consultant acknowledges that the Judicial Council may have multiple qualified firms under contract to provide the same Services as Consultant under this Agreement (“Qualified Firms”). Said Qualified Firms, including Consultant, may be asked to provide Consultant Proposals for some Projects, but may not be asked to provide Consultant Proposals on other Projects or none at all. The Judicial Council will typically solicit multiple Qualified Firms to propose Services for the same Project.
 - 2.4.2. The Judicial Council will solicit Services from and assign individual Projects to multiple Qualified Firms with the intent, but no obligation, to issue Projects equally based on all relevant factors including on an objective round-robin basis.
 - 2.4.3. Selection of Consultant for a specific Project is at the sole discretion of the Judicial Council. The Judicial Council will make efforts to award a fair share of the Services to Consultant based on, without limitation, Consultant’s qualifications, specific expertise, proposed costs for the Project, knowledge of and involvement with specific systems and/or facilities for the Project, prior performance on other Projects, and those other factors that the Judicial Council may deem pertinent for the Project.

- 2.4.4. Any Project with an estimated, proposed, or actual cost greater than One Hundred Twenty-Five Thousand Dollars (\$125,000) may, in the sole discretion of the Judicial Council, be assigned to the Qualified Firm that proposes the lowest cost for that Project. The Judicial Council will evaluate all other relevant factors of the Qualified Firms submitting Consultant Proposals in the event Projects receive multiple proposals at the same price.

3. Service Work Order Process

- 3.1. Services Request Form. The Judicial Council's Project Manager will provide Consultant with an unsigned Services Request Form (Exhibit E), describing the Work the Judicial Council wants performed. The Judicial Council's Project Manager will complete the Services Request Form and send to Consultant electronically. The Judicial Council Project Manager will inform Consultant of the appropriate Pricing Methodology to be used in the Service Work Order.
- 3.2. Pricing Methodologies. Two Pricing Methodologies are allowable under this Agreement. Pricing Methodology sets both the total amount of compensation that will be made under a Service Work Order, as well as terms and conditions that will apply to the Services to be provided. Only one type of Pricing Methodology may be used in any individual Service Work Order and that methodology will apply to all Services provided under that Service Work Order. If more than one methodology is necessary, the Services must be segregated into separate Service Work Orders.
- 3.2.1. Lump Sum Based Services Pricing.
- 3.2.1.1. When a Service Work Order is authorized for performance on a lump sum basis ("Lump Sum Basis"), the prices for all expected Hourly Rates and Fixed Price Services, the cost of any expected Travel and Living Expenses, and the cost of any expected Reimbursables will be added to calculate a lump sum price ("Lump Sum Price") applicable to that Service Work Order. The applicable price(s) and costs and method to be used to calculate the Lump Sum Price are specified below.
- 3.2.1.2. Consultant will be compensated for Lump Sum Basis Service Work Orders according to a percentage of particular phases, deliverables, or schedule of fixed milestone amounts with each milestone amount associated with the provision and acceptance of individual designated Deliverable(s) as agreed to between the Judicial Council Project Manager and Consultant's Project Manager. The total of the price(s) for all Deliverables must equal the Lump Sum Price applicable to the Service Work Order.
- 3.2.1.3. In Service Work Orders authorized on a Lump Sum Basis, Consultant is responsible for the provision in full of all of the Services and Materials specified in the Service Work Order as well as bearing all costs and expenses for any Travel and Living Expenses, any Reimbursables expenses, and any other costs and expenses incurred to provide the Services and Materials (including profit), regardless of the amount of Consultant's actual costs and expenses incurred. Consultant shall be compensated solely by payment of a Lump Sum Price.
- 3.2.2. Time and Materials Based Services Pricing
- 3.2.2.1. When performing Services on a time and materials basis ("Time and Materials Basis"), the prices will be subject to Judicial Council agreement on a Service Work Order-by-Service Work Order basis, and shall only apply to the Service Work Order in which authorized.
- 3.2.2.2. When a Service Work Order is authorized for performance on a Time and Materials Basis, the prices for all expected Hourly Rates and Fixed Price Services, the cost of any expected Travel and Living Expenses, and the cost of any expected Reimbursables will be added to calculate a time and materials price ("Time and Materials Price") applicable to that Service Work Order. The applicable price(s) and costs and method to be used to calculate the Time and Materials Price are specified below. The Judicial Council may, in

its discretion, include a not-to-exceed amount in any Service Work Order on a Time and Materials Basis and Consultant shall not exceed said not-to-exceed amount.

- 3.2.2.3. Consultant will be compensated for Time and Materials Basis Service Work Orders in the form of monthly payments based upon: the hours of work actually expended in performing the Hourly Rates Services; the price for any Fixed Price Service(s) actually performed; the actual cost for any allowed Travel and Living Expenses actually incurred (when incurred in accordance with, and in amounts not to exceed the maximum amounts specified as allowable in, the Judicial Council's Travel and Living Expense Rules and Rates); and the actual cost of any allowed Reimbursables (in amounts at or below the Reimbursable(s) prices specified in the Service Work Order).
 - 3.2.2.4. In Service Work Orders authorized on a Time and Materials Basis, Consultant is, subject to the limitation of the Time and Materials Price as further elucidated below, responsible for the provision of Services and Materials specified in a Service Work Order if authorized in accordance with the provisions of the Service Work Order, for paying for any Travel and Living Expenses and Reimbursable(s) necessary to provide those Services and Materials if authorized by the Judicial Council's Project Manager. Consultant shall be compensated solely in the form of payments for the Services, Materials, Travel and Living Expenses, and Reimbursables expenses which shall be made as specified above; however, Consultant shall not provide Services and/or Materials, incur Travel and Living Expenses, or purchase Reimbursable(s) past the point at which the total of such charges, if invoiced to the Judicial Council in accordance with this Agreement, would exceed the Time and Materials Price applicable to that Service Work Order.
- 3.3. Initial Consultant Proposal Form. Upon receipt, Consultant will, in coordination with the Judicial Council's Project Manager, edit the Consultant Proposal Form (Exhibit F) and the Judicial Council Project Manager will edit the Services Request Form (Exhibit E) if necessary so that each appropriately describes, to the satisfaction of both Parties, the various elements of the Work and Materials to be provided, and submit the revised version.
 - 3.4. Consultant Proposal Form Contents. Consultant will fill out and submit electronically the Consultant Proposal Form (Exhibit F) based upon the description of the Services requested by the Services Request Form, providing the following:
 - 3.4.1. Service Work Order Subtotals and Service Work Order Grand Total: List the Service Types and the corresponding subtotals as applicable to the Project. If the Service is to be performed by a Subconsultant, include the name of each Subconsultant and the amount of administrative mark-up, if any, the Consultant will apply to the Subconsultant.
 - 3.4.2. Schedule of Deliverables and Milestone Payments: If Lump Sum Basis Pricing Methodology is used, after consultation with the Judicial Council Project Manager, provide a list of designated Deliverable(s) and the amount to be paid upon acceptance of each such Deliverable that has been agreed to by both Parties. The Judicial Council does not pay for Services in advance and no milestone payment will be tied to initiation of the Work. The individual Milestone Payments to be used shall be proportioned to correspond to the portion of the Project Services necessary to provide the Deliverable. Invoicing and Payments may only be made according to this Schedule of Deliverables and Milestone Payments. Deliverables must be tangible.
 - 3.4.3. Hourly Rates Services: If a Time and Materials Basis Pricing Methodology is used, provide the corresponding Hourly Rates (from Exhibit D of this Agreement), number of hours, and subtotal for the utilized job title. Note: Prevailing wage rates and Public Works registration requirements will apply if and to the extent applicable.
 - 3.4.4. Fixed Price Services: If Fixed Price Services are to be provided, describe the Services, the category of Services it falls into (consult Exhibit D for approved Service Types), the price, quantity, and subtotal. Fixed Price Services are approved on a Project by Project basis by the Judicial Council Project Manager.

- 3.4.5. Travel and Living Expenses: If performance of a Service will necessitate the expenditure of Travel and Living Expenses, and if the Judicial Council will authorize reimbursement therefor, describe the Travel and Living Expenses that are necessary to perform the Service. Provide the titles (and names if available) of individuals for whom the Travel and Living Expenses will be expended. Provide an explanation of the purpose for the expenditure(s) and the expected dates of the expenditure(s). All Travel and Living Expenditures must be costed out in accordance with the Judicial Council's Travel and Living Expense Rules and Guidelines, given in this Exhibit C as may be updated from time to time (except in those instances subject to and governed by the Prevailing Wage Laws). Provide the information requested on the form, along with a subtotal for all Travel and Living Expenses. If no Travel and/or Living Expenses are to be incurred, leave this section blank.
- 3.4.6. Reimbursable Items: If performance of a Service will necessitate Consultant's use of Reimbursable Items, provide a listing of the Reimbursable Items necessary to perform the Service along with quantities necessary, price, extended price, and a subtotal for all Reimbursable Items. If no Reimbursable Items are to be purchased, leave this section blank. Reimbursable Items must be priced at Consultant's actual acquisition cost, net of any discounts or rebates allowed and are not subject to any markup, charge, add on, or pass through charge or fee of any type. Reimbursable Items are not Services. The amounts listed here are allowances only and the individual Reimbursable Items to be invoiced may exceed the amounts listed in this section provided the total amount invoiced does not exceed the subtotal of all Reimbursable Items.
- 3.5. Consultant Proposal Form Submission. Upon completion of the above, Consultant's Project Manager shall submit Consultant's Proposal to the Judicial Council's Project Manager via email in the form of a file in modifiable MS-Word processing format.
- 3.6. Consultant Proposal Form Review. The Judicial Council's Project Manager shall review separately or with Consultant and may request changes to the Proposal submitted, in which event Consultant shall modify and resubmit the Proposal, again in accordance with the provisions of this Exhibit C.
- 3.7. Consultant Proposal Form Expiration. Consultant Proposals so submitted are available for acceptance and may not expire or be revoked for a period of twenty (20) Business Days following the date submitted to the Judicial Council's Project Manager, or until the date scheduled for the start of the Work in the applicable Service Work Order passes, whichever event occurs sooner.
- 3.8. SWO Creation. If the Judicial Council intends to accept Consultant's Proposal and proceed with the Project, the Judicial Council Project Manager will create a Service Work Order in Judicial Council's CAFM system and populate the Consultant Proposal Form (Exhibit F) with a unique SWO number. The Services Request Form (Exhibit E) and accepted Consultant Proposal Form (Exhibit F) will be uploaded to CAFM.
- 3.9. Consultant Proposal Form Acceptance. The Judicial Council Project Manager will then notify Consultant of its Proposal acceptance. The Judicial Council shall provide, via email, a Service Work Order consisting of a cover page with a unique Service Work Order number, the accepted Service Request Form (Exhibit E) and Consultant Proposal Form (Exhibit F).
- 3.10. Consultant CAFM Review. Consultant shall review all documents and, upon acceptance, log in to Judicial Council's CAFM system, look up the corresponding Service Work Order, and click "Accept." By clicking "Accept," Consultant agrees to all the provisions of this Agreement and the corresponding Service Work Order.
- 3.11. Work Commencement. Upon notification of Service Work Order acceptance in CAFM by Consultant, the Judicial Council shall direct Consultant to begin Work in writing in conjunction with Section 3.12 below. Within five (5) Business Days of the Judicial Council's direction to Consultant to begin Work on the SWO, Consultant shall submit to the Judicial Council Consultant's Project Schedule in compliance with the requirements of Exhibit B of this Agreement.
- 3.12. Additional Detailed Instructions. Following authorization of a Service Work Order, but before the initiation of Work on a Project, Judicial Council may furnish additional detailed written and/or graphic instructions

to explain the Work more fully, and such instructions become a part of the requirements of the authorized Service Work Order applicable to a Project (“Additional Detailed Instructions”). Should such Additional Detailed Instructions, in the opinion of Consultant, constitute Work in excess of the requirements of the authorized Service Work Order, Consultant must submit written Notice of the same to the Judicial Council within seven (7) Days following receipt of such Additional Detailed Instructions, and in no event any later than prior to commencement of the work of the Project. If in the Judicial Council’s judgment, the Additional Detailed Instructions do in fact constitute Work in excess of the requirements of the authorized Service Work Order, the Judicial Council may, at Judicial Council’s option, either close the authorized Service Work Order and create a new Service Work Order or issue a Supplementary Service Work Order to account for the excess Work.

3.13. SWO Cancellation. If the Parties agree to cancel an already authorized Work Order, the existing SWO must be closed within Judicial Council’s CAFM system and a new SWO process started.

3.14. SWO Authorization.

3.14.1. Only the following Judicial Council personnel are approved to authorize a SWO: Principal Managers; Managers; Senior Project Managers and Project Managers; Facilities Operations Supervisors; Facilities Management Administrators; Facilities Supervisors; Facilities Analysts; and Judicial Council Customer Service Center Personnel.

3.14.2. Judicial Council shall from time to time provide Consultant with the names and contact information of persons filling primary positions. This letter will be updated from time to time as personnel change and is effective upon receipt. These changes will not require that this Agreement be amended.

3.15. Form Modifications. The Judicial Council reserves the right, as the Judicial Council deems necessary or appropriate in its sole discretion, to modify the process and/or forms provided in the Agreement (e.g., Exhibit E and/or Exhibit F) that are to be utilized in the request, submittal, and authorization of Service Work Orders including, without limitation, implementing the use of CAFM for electronic Services Requests and Contractor Proposals. The Judicial Council will notify Consultant of any such modifications prior to becoming effective.

3.16. No Project Guarantee.

3.16.1. There is no minimum or maximum on the number of Service Work Orders that the Judicial Council may request or authorize under this Agreement or that Consultant will perform during the Initial Term or any Subsequent Terms of this Agreement.

- 3.3. No other Services or Materials shall be provided or compensated for under this Agreement except for those items and amounts specified in an authorized Service Work Order, unless otherwise authorized in writing by the Judicial Council.
- 3.4. The Judicial Council is not obligated to pay for, and Consultant shall not invoice, any overtime rate.
- 3.5. Addition of New Service Types or Job Titles.
 - 3.5.1. If Consultant and the Judicial Council's Project Manager so agree, the addition of any new Service Types to Exhibit D is subject to execution of an Amendment to this Agreement and to the provisions of this section.
 - 3.5.2. Any such new Service Type or Job Title to be added shall be limited to professional services of a [fire and life safety consulting] nature, and to such other incidental Services that members of those professions and those in their employ may logically or justifiably perform.
 - 3.5.3. If a new Service Type or Job Title is to be added, Consultant shall provide the pricing for the new Service Type(s) and/or Job Title(s) in a format specifying the Service Type(s) and/or Job Title(s) and their associated Hourly Rate(s). The Hourly Rates that will apply to any such new Service Types and/or Job Titles are subject to negotiation and, once approved and issued via Amendment to this Agreement, may not change with the exception of cost escalation as may be allowed in Subsequent Terms. All Hourly Rates provided must be priced at a single price (i.e., \$60.00/hr.), not a range, and otherwise in accordance with the terms of this Agreement.
- 3.6. Regardless of anything that may be stated to the contrary in Exhibit D, Consultant is not entitled to and will not charge the Judicial Council for any servicing charge, processing, billing or any other type of fee, uppage, or charge of any type that is made upon the Fixed Price Services and/or Hourly Rates charged by its Subconsultants and billed to the Judicial Council for any Subconsultant-provided Services, any Travel and Living Expenses incurred, or any Reimbursables provided as a result of this Agreement.
 - 3.6.1. Notwithstanding the foregoing, the Judicial Council may, in its discretion, authorize Consultant on a Service Work Order-by-Service Work Order basis to include a reasonable administrative charge for Consultant's time, effort, management, and oversight of the Subconsultants providing Services or Work on a Project ("Subconsultant Administrative Charge"). In no event whatsoever will any Subconsultant Administrative Charge exceed industry standards as determined by the Judicial Council in its reasonable discretion and, in the event of any dispute between the Parties over the amount to be included for a Subconsultant Administrative Charge, the Judicial Council shall make the final determination.
- 3.7. At least sixty (60) days prior the start of any Subsequent Terms, Consultant may request by written Notice to the Judicial Council that Hourly Rates of this Agreement be adjusted by the Consumer Price Index (CPI), California, All Urban Consumers Series (CPI-U), for the previous 12 months. Within thirty (30) days of receiving said request, the Judicial Council shall notify Consultant in writing whether any such adjustments to the Hourly Rates will be made in the Judicial Council's sole reasonable discretion; if no response is issued in said time, it shall be deemed to be that no adjustment will be made. Revised Hourly Rates for the Agreement in Subsequent Terms shall not exceed the percentage difference of the most recently reported CPI for the previous 12 months; provided, however, that in no event shall the amount of the increase exceed five percent (5%) per year. As used in this Agreement, "CPI" means the unadjusted Consumer Price Index (above) as calculated by the California Bureau of Labor Statistics. The California

Department of Finance posts CPI data on their website at the following link:
<http://www.dof.ca.gov/Forecasting/Economics/Indicators/Inflation/>.

- 3.8. Upon execution of revised Hourly Rates for this Agreement in Subsequent Terms, if at all, all Service Work Orders currently authorized shall remain unchanged for the balance of their stated scope and duration. For any Service Work Orders currently authorized but delayed through no fault of Consultant for ninety (90) calendar days past the effective date of new Hourly Rates, then Consultant may request a revised Service Work Order valuation and reauthorization from the Judicial Council Project Manager so long as such changes do not exceed the limits stated above.
