Re: New Judgeship Project/ Solano County Courthouse

We would like to express our appreciation to all of the Design Assist firms that participated in our Design Assist provider selection process for both our RFP OCCM-2009-01, but also our original RFQ OCCM-FY2008-13 to determine the Prequalified List that would receive the RFP. We understand that it takes a considerable investment of talent and resources to respond to RFQs and RFPs.

After consideration of the RFP submittals, the Office of Court Construction and Management has selected **Bullard Construction of Sacramento, CA** as the Design Assist Contractor for the New Judgeship Project/ Solano County Courthouse.

Again, we extend our sincere thanks for the participation of all the submitting teams for both solicitations.

Sincerely,

Leland J. Roberts
Sr. Project Manager
