Re: New Susanville Courthouse

We would like to express our appreciation to all of the General Contractors that participated in our selection process for both our IFB OCCM-2010-22-GS, New Susanville Courthouse, Superior Court of California, Lassen County but also our original RFQ OCCM-2010-16, Prequalification of General Contractors for the Susanville Courthouse to determine the Prequalified List that would receive the IFB. We understand that it takes a considerable investment of talent and resources to respond to RFQs and IFBs.

After opening of the bids, the Office of Court Construction and Management has selected **Clark & Sullivan Builders, Inc., dba as Clark and Sullivan Construction of North Highlands, CA** as the lowest responsive bidder for the New Susanville Courthouse Project.

Again, we extend our sincere thanks for the participation of all General Contractors for both solicitations.

Sincerely,

Leland J. Roberts

Sr. Project Manager
